Family Blackout Plan

Fill this in together before an outage. Keep a copy where everyone can reach it.

Compact PDF fields: use brief entries and check your print preview.

Household or group

Reviewed on

Where we agree to meet

Use a meeting place only when safe and consistent with current official directions.

Near home - place, address or landmark

Outside our neighbourhood - backup place, address or landmark

People we can try to reach

Use these contacts when a communication route is available.

CONTACT	NAME	PHONE OR ALTERNATE CONTACT
Household		
Household		
Out-of-area		

Children, support and check-ins

School, care or approved pickup arrangement, if relevant

Support or pet arrangements we have agreed

Our check-in method and next check-in arrangement

This is an agreed plan, not live tracking or a safety confirmation. Follow current local instructions.

Prepare what stays

Choose the information, tools and supplies your household needs. Record what is ready.

Useful places and local information

PLACE / PURPOSE	SAVED ADDRESS, LANDMARK OR INFORMATION

Official local information source or radio station

Prepare offline essentials

- [ ] Needed maps and reference files saved while online.
- [ ] Meeting places and instructions shared with everyone.
- [ ] Offline tools and any optional AI set up and checked on this device.
- [ ] Phones, power banks and needed cables checked.
- [ ] Paper copies put in our agreed locations.

Supplies we have chosen

Use your local official kit list. Fill in your own items, amounts and storage locations.
